This matter comes before the Public Service Commission of South Carolina (the Commission) on the Petition of Chesnee Telephone Company (Chesnee) to require KMC Telecom to enter into appropriate arrangements with Chesnee to handle traffic between the two companies or, alternatively, for a rule to show cause as to why the Certificates of Public Convenience and Necessity of KMC Telecom III, KMC Telecom V, and KMC Data should not be revoked.

Chesnee now withdraws Chesnee's Petition for Relief and requests that the hearing scheduled for May 23, 2005, be cancelled and the docket be closed. Chesnee's letter states that Chesnee and KMC have been able to resolve the issues that precipitated the filing of the Petition for Relief. Further, Chesnee filed a Mutual Traffic Exchange Agreement between Chesnee and KMC Telecom III, LLC, and a Mutual Traffic Exchange Agreement between Chesnee and KMC Telecom V, Inc. for Commission approval pursuant to 47 U.S.C. Section 252(e).
